

Community for All Resolution

As residents of Fayette County, we promise to work for a community where tolerance and diversity flourish. We seek a community where all people, regardless of creed or color, can enjoy comfort and well-being. Our economic and social future requires nothing less. We want to be known as " A Community for All".

We encourage our neighbors to demonstrate this spirit by supporting the tolerance activities around October 26th.

- Join the "Community for All" celebration at Fayetteville Town Park on Saturday, October 26, 10 am to 1 PM.
- Avoid downtown Fayetteville, 9:30 am to 11:30 PM on October 26.
- Display the "Community for All" poster.
- Arrange a showing and discussion of Not in Our Town.*
- Sign this resolution for yourself or your organization to take a public stand for tolerance in the FayetteTribune and Montgomery Herald. Mail it to: The Community for All Committee, Box 1074, Oak Hill, WV 25901.
